Wynola restaurant teams with local ranch and winery

Wynola restaurant Jeremy's On The Hill will collaborate with Star B Buffalo Ranch and the Pamo Valley Winery to offer area residents a unique evening of wining and dining in the backcountry.

On Tuesday, Feb. 10, at 6:30 pm, Jeremy's is teaming up with Star B Buffalo Ranch and Pamo Valley Winery to conduct a special, five-course gourmet dinner event that offers haute cuisine consisting of grass fed bison meat, specifically paired with local fine wine.

Jeremy's On The Hill is creating unique menu items that use American Bison, commonly referred to as buffalo. Jeremy Manley, the 22-year old La Cordon Bleu graduate and proprietor of the upscale Jeremy's On The Hill restaurant in Wynola, believes in using local products for creating his fare whenever possible.

"I felt that working directly with Star B Ranch and Pamo Valley Winery to create a unique dining event was a great way to introduce people to what we can do back here in the East County," said Manley.

In addition to the salad and dessert courses, the five-course dinner will include three dishes prepared with grass fed buffalo meat. Each course will be specifically paired with local wines that compliment the flavors and ingredients of that dish.

The price for this event is \$50 per person, and advanced reservations are required. Tickets to the dinner can be obtained at Jeremy's, at 4354 Highway 78 in Wynola, or by contacting Star B Buffalo Ranch at 789-5767, or Pamo Valley Winery at 271-3090 or info@pamovalleyvineyards.com.
